

If you:

- Love the ocean
- Are curious about marine mammals
- Enjoy talking with people of all ages

Become an Education Volunteer at The Marine Mammal Center

Our veterinary hospital and education facility needs volunteers to greet visitors and talk with the public about our seal and sea lion patients.

Join us for a series of 2 training classes:

Saturday
January 26
10 AM – 4 PM

AND

Sunday
January 27
10 AM – 4 PM

Education volunteers work at least 16 hours (1 4-hour shift a week) each month for a minimum of one year after training. Volunteer assignments include indoor and outdoor shifts in varying weather with a lot of standing.

To learn more, call The Marine Mammal Center's Education Department at (415)-289-7356 or email edu@tmmc.org. Registration and training fee is required
