YOU'RE INVITED

By remembering the Center in your estate plan, you help to ensure that our shared vision of a healthy ocean for marine mammals and humans alike becomes reality. Together, we can take action to support a network of scientists and stewards to protect our shared ocean environment for future generations.

Planned giving can benefit you and your loved ones while helping to protect the ocean and marine mammals for generations to come.

The ocean is in trouble. From the depletion of fish stocks to increasing ocean temperatures, human activity threatens marine ecosystems that are vital to the health of our ocean and all life on earth.

TODAY

As a critical first responder to these threats, The Marine Mammal Center is advancing global ocean conservation through marine mammal rescue and rehabilitation, scientific research, and education.

TOMORROW

Create Your Conservation Legacy
Many of our supporters leave a gift to The Marine Mammal Center in their wills or trusts so they can do even more to protect the ocean for future generations. You can, too. Your personal legacy will help protect marine mammals and their ocean home for years to come.
