

## The Marine Mammal Center: Save-A-Seal Chords

**Difficulty:** Novice

**Strumming:**

Down, downup, down

**Ukulele chords:**

**[Verse 1]**

G  
When you walk down  
the beach  
C  
And you see something  
strange  
D  
Like a starving sea lion  
G  
Along our California  
range  
G  
There's something really  
helpful  
C  
That you all can do  
D  
Call our 24-hour hotline  
G  
And keep your distance  
too

**[Chorus x2]**

G C  
It's 415-289-SEAL  
D  
We save marine  
mammals  
G  
And that's the deal

**[Verse 2]**

G  
Elephant seals, sea  
lions,  
C  
harbor seals too  
D  
are our most common  
patients from the  
G  
big deep blue  
G  
But what's the difference  
C  
You may ask  
D  
Between a seal and a  
sea lion  
G  
Don't they all just bask  
G  
In the sun, don't they  
have anything  
C  
better to do?  
D  
Why yes, they're an  
important part of the  
G  
ecosystem too

**[Chorus x2]**

**[Bridge]**

C  
So how else can  
D  
We help with them?  
G  
Those mammals  
C  
are sufferin'

**[Verse 3]**

G  
Reduce your use  
C  
of fossil fuels  
D  
Refuse single-use  
plastics  
G  
choose sustainable  
seafood  
G  
there's so many things  
that  
C  
you can do  
D  
to make a healthy ocean  
for  
G  
them and us too

**[Chorus x2]**
